Quotation & Information Link
www.agility.com/en/contact-fairs-events
As the sole Official Freight Forwarder and Customs Broker, Agility Fairs & Events is appointed by show management to handle all international freight. Some of our services include the shipping of international exhibits to the show, completing Customs clearance procedures, delivering to the appointed site handling contractor, and re-exporting the freight at the conclusion of the show. We have designed our services to meet all your international transportation needs.

**What are the ‘10+2’ Importer Security Filing ocean shipment regulations?**

The U.S. Department of Homeland Security must identify ocean cargo that may pose a security threat before it is loaded on board a vessel bound for the USA. The ISF regulation requires that specific information about the cargo be filed with U.S. Customs (CBP) in advance of the goods being shipped.

The details required are standard in the commercial shipping process. The difference with this regulation is that these details must be filed **before** a shipment is made overseas, rather than once it arrives at a U.S. port. This will impact all overseas exhibitors shipping materials to the U.S. by sea freight. If these steps are not taken, U.S. Customs and Border Protection (CBP) can refuse to allow the cargo to be loaded at the point of origin, thereby delaying the shipment.

**What steps must be taken to satisfy the ‘10+2’ ISF requirements?**

The following information, called the Importer Security Filing (ISF) must be filed with U.S. Customs and Border Protection (CBP) no less than 24 hours before the sailing vessel departs from the overseas port. This rule is more commonly referred to as the **10+2 Rule** because of these ten pieces of information that the importer must provide along with two additional items by the shipping line (the vessel stowage plan and container location).

1. Manufacturer (or supplier) name & address
2. Seller name & address
3. Buyer name & address
4. Ship to name & address
5. Container stuffing location
6. Consolidator name & address
7. Importer of record number
8. Consignee number
9. Country of origin of goods
10. Harmonized Tariff Schedule of the U.S. (HTSUS) number (6 or 10 digit level)

Agility Fairs & Events will complete the ISF filing for all shipments sent through the Agility network. Contact Agility Fairs & Events directly: expousa@agility.com or 714-617-6675.

If you choose to use another forwarder, please make sure that they have experience and a detailed knowledge of tradeshows as well as ISF requirements related to exhibition shipments.
When ISF is not made at least 24 hrs before the vessel sails, the freight may not be loaded and a fine of up to $5,000 may be incurred. Additional information is available at www.cbp.gov and questions may be sent to Security_Filing_General@cbp.dhs.gov or by contacting Agility Fairs and Events USA at expousa@agility.com.

**How is my shipment cleared through U.S. Customs?**

Depending on your needs, we can clear your shipment in one of three ways:

- **Permanent Duty-Paid Entry**: used for all goods which will remain in the U.S. and will not be re-exported. This includes all giveaway items such as brochures and samples.
- **Temporary Entry**: allows temporary import into the U.S. without paying duties or taxes.
- **ATA Carnet**: goods are imported without the payment of Customs duties and taxes, but may not be given away or sold. All items must be re-exported at the end of the show.

**What documents are needed?**

In order to clear the goods, we will need the following documents:

- Single master AWB/BL and separate HAWB/BL for each individual entry in the shipment.
- Commercial invoices in English giving full description and value for each item contained in the shipment. The invoice should be issued to your company c/o the exhibition. Separate invoices for temporary and permanent items are required.
- Packing list giving weight and dimensions of each package. This information may be included on your commercial invoice.
- Customs Power of Attorney and Non Resident Certification forms

When shipping by airfreight, all required documents must accompany the shipment. For ocean freight, the documents should be sent as soon as possible to Agility Fairs & Events in Atlanta. Depending on the commodity and entry type, additional documents may be required.

**What services can Agility Fairs & Events provide at the exhibition?**

Our staff is available to assist you before, during and after the exhibition. We will confirm that your shipment has been delivered to your booth. During the exhibition, we will meet with you to confirm the return shipping instructions. We will handle all the details for you.

**What are the Agility Fairs & Events payment terms?**

Our terms and conditions require that all transportation services be paid to Agility Fairs & Events Logistics LLC before the show opens. International exhibitors may make credit arrangements through our coordinating offices in their home country. Payment may also be made via wire transfer or credit card. You can get a free estimate of shipping and import charges at www.agility.com/en/contact-fairs-events.
### How do I contact Agility Fairs & Events in my country?

We have Agility Fairs & Events partner offices in most countries. If you do not see your country listed, then please contact Agility Fairs & Events USA, and we will assist you.

Mark all goods as follows:

“Exhibiting Company Name”
c/o PITTCON 2020
Booth No. __________
McCormick Place Convention Center
Chicago, IL  USA
Made in (country of origin)

Arrival Deadlines:
Deadline for arrival of LCL sea freight to Chicago terminal:                   January 31
Deadline for arrival of FCL sea freight to Chicago port:                         February 3
Deadline for arrival of air freight to Chicago (ORD) airport:                   February 10
The above deadlines are based on delivery to the advance warehouse dock by February 17th.
Please contact Agility Fairs & Events USA for deadlines based on delivery direct to the show site.

The most important steps to take:

Preparation:
➢ Plan to ship early – Advance planning reduces your shipment costs. With increasing security
procedures causing delays to and from the United States, it is imperative that you meet the
deadlines above. Note that dates above are deadlines, not targets. Arrivals up to 3 weeks before the
deadlines are welcome & encouraged.  Please notify Agility Fairs USA once arrangements are made.
➢ How to ship – Choose the method of shipment that works best for your exhibit. Select ocean freight
if your schedule allows for up to 6 weeks transit. Choose air freight for a much shorter transit time.
Agility cannot clear shipments sent by courier. All international shipments must travel on an
airline air waybill. Be aware that couriers in your home country do not give out accurate U.S. Customs
information.
➢ Notification – You must notify Agility Fairs & Events of the details of your shipment.
List Agility Fairs & Events at the above address as the notify party on all shipping documents.
All shipping documents must be e-mailed or faxed to Agility Fairs & Events as soon as they’re issued.
Only then can Agility Fairs & Events clear your shipment through U.S. Customs.

Details:
➢ Labeling and Packing – U.S. Customs requires that all goods be permanently marked with their
country of origin. Clearly label every piece with your company name, the name of the show and your
booth number. Large labels work best. Be sure that your packing materials are adequate protection
for both the means of transport and the sensitivity of your goods.
➢ Wood Packing Materials – All wood packaging must be treated and marked. This includes crating,
pallets, cases, skids and dunnage. Shipments packed in non-treated and marked wood material will
not be permitted entry by US Customs and will be re-exported at the shipper’s expense.
➢ Wood Products – Lacey Act regulations ban trade in illegally sourced timber and wood products.
Commercial invoices must state country of origin and genus-species of wood items shipped into USA.
➢ Documentation – Prepare a commercial invoice in English with complete descriptions and
model/serial numbers. List harmonized tariff (HTS) numbers for each line item on the invoice.
Include a packing list with the dimensions, gross and net weights of each package shipped.
➢ Insurance – Take out adequate insurance to cover the value of your exhibit to and from the show.
